

Get your basic trial access

First you need to get your basic trial access of SAP Datasphere (mandatory). You could use any SAP Datasphere system you have access to, as all the required files for the core exercises are provided as part of this GitHub repository.

1. Navigate to the SAP Datasphere product page on sap.com for the [basic trial](#)

2. Click **Start now** or alternatively use the following link
https://www.sap.com/registration/trial.4d48ec23-eadf-4399-8595-ac3f9c66c64f.html?source=basic_trials_teched2024

3. The registration form will show up. Please provide your email address and proceed using the **NEXT** button.

Tip: If you are new to SAP, proceed with providing the required information in the form.

Finalize Your Account

Dear Klaus-Peter Sauer,

Thank you for registering for an SAP Universal ID account on SAP.com.

With this one time registration process you will continue to have access to **Free Trial Software, Documents & Reports**, the **SAP Community**, and more.

Once logged in for the first time, Single Sign-On (SSO) will be enabled. To activate your new account click the link below.

[Click to activate your account](#)

Enter a password and click **SUBMIT**.

Must have at least 8 characters.

☒ I acknowledge that I have read the SAP Universal ID [Terms of Use](#).

SAP will use any of the data provided hereunder in accordance with the [Privacy Statement](#).

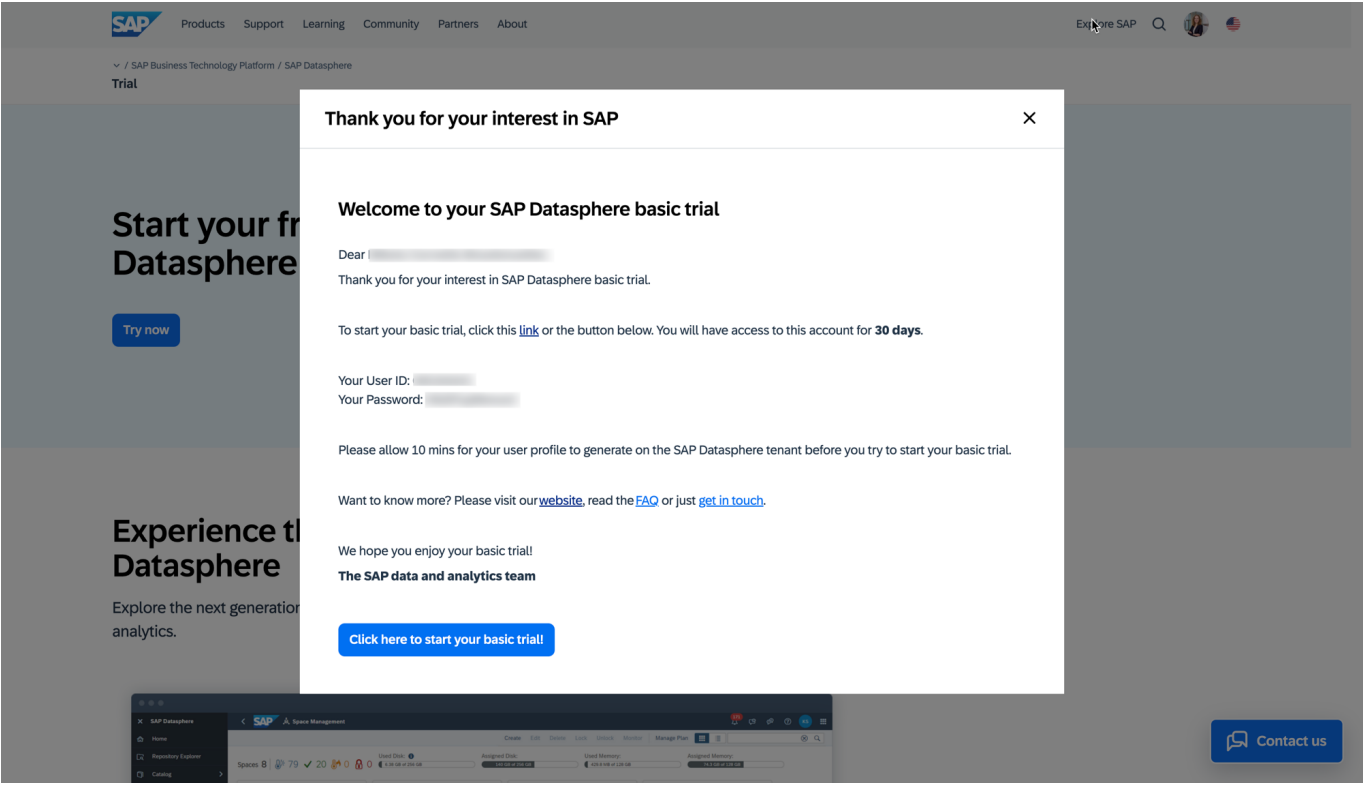

Submit

5. In case you already have a universal ID, you are asked to provide your existing password.

The image shows the SAP Universal ID sign-in interface. At the top, there is a dark header with the SAP logo and the text "Universal ID". Below the header, there is a large circular icon with a person silhouette inside, surrounded by a yellow and blue ring. Underneath the icon, the text "Sign in" is displayed in a bold, black font. Below "Sign in", there is a back arrow icon followed by the text "klaus-peter.s" and a blurred area. Below this, there is a "Password" label and a text input field containing several dots. Below the password field, there is a blue "Sign in" button. Below the button, there is a link that says "Forgot password?". At the bottom, there is a small text block stating "This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."

6. Now your login details (user ID and password) are shown to you.

You will also get an email with the same information.

Welcome to your SAP Datasphere basic trial

○ SAP Webmaster DP <webmaster@sap.com>

Unleash

the power of business data

Welcome to SAP Datasphere

SAP Datasphere enables a business data fabric architecture that uniquely harmonizes mission-critical data across the organization, unleashing business experts to make the most impactful decisions. It combines previously discrete capabilities into a unified service for data integration, cataloging, semantic modeling, data warehousing, and virtualizing workloads across SAP and non-SAP data.
